ESTHER BECAME A QUEEN

Esther 1-2

The king wanted to find a new queen. So the king's helpers went throughout the country to look for young women who could become the queen.

One of the women the helpers took to the king's fortress was Esther. Esther's uncle was like a father to Esther.

Esther did all the things the helpers told her to do. She learned how to be a queen.

When it was time for the king to choose someone to be his queen, he chose Esther. The king put a crown on Esther's head and held a party to celebrate.

Now Esther was queen.
