LAUNCHING

SEPTEMBER

13TH

FALL RE LAUNCH

Schedule

RE LA UN CH

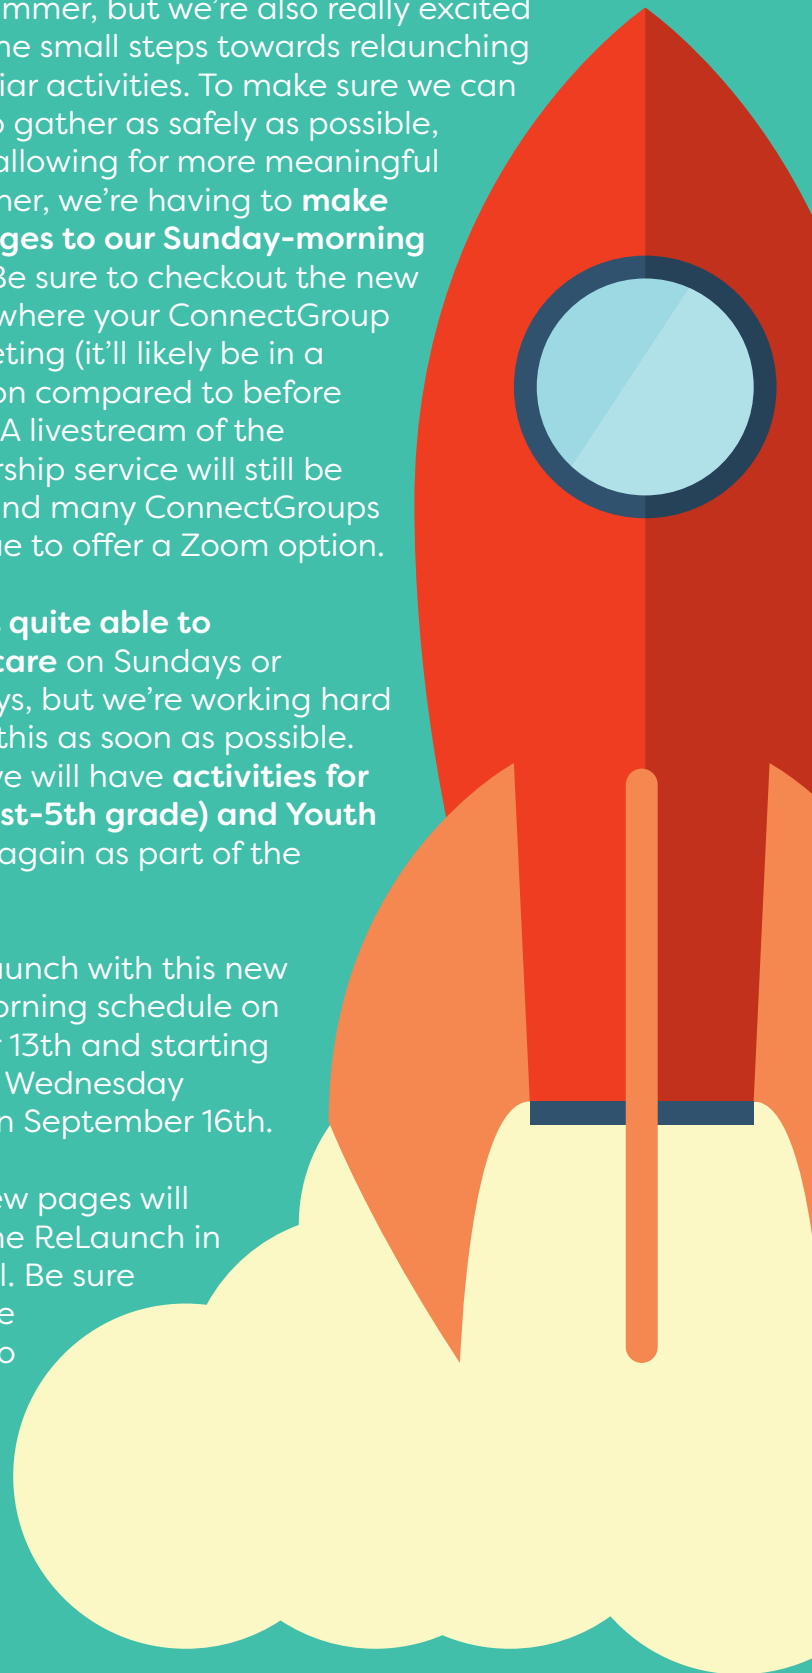

OVERVIEW

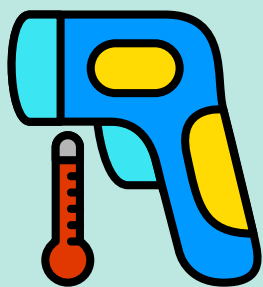

What a strange year it's been! We're so thankful for the ways God has allowed us to remain connected over the Summer, but we're also really excited to take some small steps towards relaunching some familiar activities. To make sure we can continue to gather as safely as possible, while also allowing for more meaningful time together, we're having to **make some changes to our Sunday-morning schedule**. Be sure to checkout the new times and where your ConnectGroup will be meeting (it'll likely be in a new location compared to before COVID-19). A livestream of the second worship service will still be available and many ConnectGroups will continue to offer a Zoom option.

We are **not quite able to offer childcare** on Sundays or Wednesdays, but we're working hard to provide this as soon as possible. However, we will have **activities for PreTeens (1st-5th grade) and Youth beginning** again as part of the relaunch.

We will relaunch with this new Sunday-morning schedule on September 13th and starting back some Wednesday activities on September 16th.

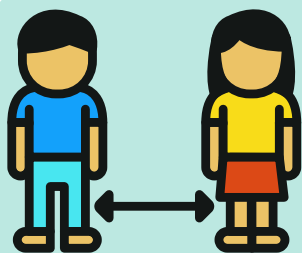

The next few pages will overview the ReLaunch in more detail. Be sure to pay close attention to times and locations!

SAFETY REMINDERS

- ◇ Extensive sanitization and cleaning procedures are in place after an area is used
- ◇ Larger rooms are being used for small-group gatherings to allow for more social distancing
- ◇ Temperatures are being taken before admittance
- ◇ Hand sanitizing stations are located throughout the facility
- ◇ Masks are required while inside the building
- ◇ A service livestream will still be available for anyone not yet comfortable returning in-person

UPDATED SCHEDULE

SUNDAYS

launching September 13th

First Service 8:30AM

ConnectGroups 9:45AM
for adults, youth, and preteens (1st–5th)

co-leader: Ed Waller

9

WOMEN'S EXPLORING THE BIBLE*

Mary Ellen Logan
*meeting only on Zoom at 10AM

10

EXPLORING THE BIBLE

Danny Moore

ConnectGroups are close-knit communities of learning and accountability and are the primary means of discipleship at our church. These groups are places to grow in your walk with Christ, build relationships with others, receive encouragement and care, use your spiritual gifts, and be mobilized for ministry and missions.

We have ConnectGroups for every age group and every stage of life. For our adult groups, we intentionally leave the groups “unbranded,” meaning we don’t have specific groups for certain ages or life circumstances.

While most of our groups are made up of people with similar life situations or ages, our desire is for you to find a group that fits regardless of where that might be. With unique group personalities, different teaching styles, and multiple curriculum choices, we believe there’s a lot of great options to explore and a place for you to connect.

So whether you’re jumping in for the first time or you’re still looking for the right fit, we hope you’ll find a ConnectGroup which gives you meaningful community and empowers you to grow in Christ and fulfill the Great Commission.

Many groups are meeting in new locations to allow more room to spread out (check the map on the next page). Additionally, many of our groups will continue to offer Zoom participation if you are not yet comfortable returning on-site. If your group isn’t listed as having a “dedicated Zoom setup,” check with your leader to see if Zoom will still be offered for the group.
